

## Technology Trip

An exclusive excursion for managers and entrepreneurs looking to gain deeper insights into India's business landscape.

**Travel with us to India and experience one of the world's fastest growing economies  
September 14–20, 2025**

Gain firsthand insights into cutting-edge tech companies, visit a top innovation campus, and connect with representatives of the Swiss embassy. Explore the thriving business hubs of Delhi, Pune, and Chennai – and experience the iconic UNESCO World Heritage site, the Taj Mahal. During the entire trip you will be accompanied by a senior Indian business expert and Damian Sidler.

### Who should join?

- Entrepreneurs exploring opportunities to gain entry into India.
- Managers considering outsourcing business processes, including software & IT-support.
- Innovators seeking deep insights into India's business and tech ecosystem.
